

Nominee: Edward DeRosier

Award: Tourism Ambassador

Statement of Nomination:

Please accept this statement as support in favor of Edward De Rosier for a Montana Tourism Award. As a participant in his Sun Tour in Glacier National Park I was blown away by not only the beauty of the park, but more importantly by his knowledge of the history of this magnificent place. More importantly I had the opportunity the next day to take another tour through another company and noticed such vast differences in the quality of the material delivered to the group. Edward and Sun Tours were top notch!
