

Nominee: Livingston Hoot

Award: Event of the Year

Statement of Nomination:

I would like to nominate the Livingston Hoot for Event of the Year. This free event allowed for a huge venue for our non-profits to show their contributions to our community and to families of all economic statuses. The Hoot also brought in many family entertainment booths allowing the event to have something for everyone. The local downtown businesses were thrilled to keep their doors open later and with the extreme large number of event patrons, this brought a much needed boost to our downtown economy. The atmosphere was magnification and they had great music, even added a second stage for the second year (2016 will be the third Livingston Hoot). The improvements in the second year where amazing and only doubled the amount of people that showed up. It was truly a sight to see, I can't wait to see what improvements 2016 brings. With the high level of talent that the Livingston Hoot has been able to bring to Livingston, this only increases the reputation of Montana as a place to visit.
