ON TOURISM AND RECREATION

## **Spencer Spellman**

Spencer Spellman, known also as The Traveling Philosopher, is the former Editor-in-Chief of the Expedia Viewfinder blog. Flying for the first time at age five and by himself for the first time at age seven, he's never been able to kick the travel habit. Getting his start in the travel industry a few years ago as a writer and editor for a travel guide publisher, the last three years has seen Spencer out on his own, gallivanting around the world and sharing his experiences for outlets that have included the National Geographic Intelligent Travel blog, 7x7 Magazine, Drink Me Magazine, AOL Travel, and Travel + Escape, just to name a few.
